

*Breaking out into small groups,
Making connections,
Building relationships.*

THOUGHT / DISCUSSION QUESTIONS:

1. Each group member: Go around the room and say something positive, encouraging, or admirable about every single person in your group. Be brief and sincere.

2. What are your personal, spiritual goals for 2018?

3. What is a goal you would like to see Margaret Street reach? What are you doing / will do to help the church reach the goal?

4. Group leader: take a few minutes and plan some type of fellowship activity the group would like to do.

5. Group Assignment:
 - a. Develop a prayer list and a "Need to Contact" list that your group can use. The list should include each of your own group members, those who haven't been coming or are not able to come on Sunday evenings, our visitors, and anyone else the group decides to include.
 - b. Determine to pray for each person on the list this week.
 - c. Decide who among the breakout group will contact who from among the different people on the list.
 - d. Contact or visit those on your list this week (as many as possible).
 - e. Repeat the process each week.

(If we can develop this into a habit among all of our groups, our congregation will thrive and grow – both spiritually and numerically. Above all, God will be glorified in our actions!)
