### **THOUGHT / DISCUSSION QUESTIONS:**

Answer as many questions as you can during your group breakout session. Answer the remaining questions in your private time and ponder your responses during this week.

1. Did anything from today's lesson stand out, impact you, or challenge you? Do you agree, or disagree with the points, or statements, from the lesson?
2. Be honest with yourself. If you were to die today, where would you spend eternity? Are you confident in your salvation? Where do you fit within the categories mentioned?
3. Why are many Christians (those within the church of Christ) unsure of their salvation?
4. How is it that members of one denomination can be so "sure" of their salvation, yet willingly admit that another is wrong? Don't those within the other denomination think they are saved, also? How can one know for sure that they are truly saved?
5. How are verses 24 and 25 of Hebrews 10 related to the "full assurance of faith" of verse 22? Then, consider how verses 26 and 27 are related to the passage.
6. What does salvation mean and entail? Why is it so important?

### **Group coordination:**

7. Take a few minutes and decide when and in whose home your group will hold their monthly Bible study.
8. Develop a new Prayer & Contact List for your group. Remember to check on your group members frequently if someone becomes sick or in need. Pray for those on your list.
