- This chart represents the period of Israel's history from the crowning of Saul to the captivity of Judah. The numeric figures on the top and bottom of the chart indicate the number of years B.C.

- The names of the various kings are given between parallel lines extending horizontally across the chart. The kings of Israel (the ten tribes) at top of page, the kings of Judah (the two tribes) below.
- The names enclosed in boxes below the list of the kings of Israel and Judah are the names of the contemporary prophets. The position of the names show the approximate date when the prophets lived, and what kings were reigning at the time.
